**To: All Legends Drive Residents**

**Petition To Create a Legends Drive Special Tax District**

**On Monday, 3/25/24, the Legends Drive Special Tax District Team submitted a completed petition to our attorney Burr & Forman for further submission to the appropriate County offices.**

**On Wednesday 3/27/24 the petition was officially delivered to and accepted by the County. The communities met the requirement to secure the signatures of at least 15% of the electors within the boundaries of the proposed district, to now be certified by the Horry County Council and Voters Registrations & Elections.**

**We want to thank all the residents for their patience and tolerance during the canvassing process, whether you are for or against the petition. With very few exceptions, our canvassers were treated with the utmost of respect.**

**We will keep you apprised of the important steps and dates at the County level as we become aware. With the exception of the public hearings, please try not to distract the various County departments from the arduous work that needs to be done as they respond to our petition. They will be busy finalizing all aspects of our petition before a vote can take place.**
