## **Legends Drive Special Tax District: Ordinance 85-2024**

Legends Drive Special Tax District - First reading.

The first reading was approved by the Horry County Council yesterday afternoon for Ordinance 85-2024.

There was no public input at this first reading, but there will be public input for the second reading next Tuesday, August 13 at 6pm at the same location (Council Chambers). My understanding from the council clerks's office is that the council chairman will ask for any comments with regard to the ordinance before it is voted on.
