**Update: Legends Drive Special Tax District Construction**

**May 5, 2025**

The county told us that the length of today's lane closure was probably a bit longer than it needed to be. They are working with the contractor to tighten that up to help reduce the duration of delays.

We should continue to expect delays anytime during daytime hours from Monday to Friday while they work on the two-foot widening and full-depth repairs prior to their final resurfacing work being completed in mid-June. Please drive slowly through lane closures and be especially alert.
