

**To: Legends Drive Communities**

**Update: Legends Drive Special Tax District Housekeeping**

**July 3, 2025**

The county has answered some questions on Legends Drive:

**Pavement markings / left-turn arrows:**

For the new two-way center turn lane, the county typically follows SCDOT's standards which do not require the left-turn arrows within the lane itself. You can see other examples of center turn lanes on SC 544, SC 707, and International Drive.

**Mowing:**

In the short term, some mowing by the contractor will be required during the project's warranty period. In the long term, the Public Works Department will add this road to their mowing rotation. Please keep in mind that Legends Drive will be on a similar schedule as other similar roadways in this area, and it will not be as frequent as the various HOAs that mow their subdivision entrances.

Donna Crouch, Secretary  
Legends Drive STD Commission
