Update: Legends Drive Special Tax District Grant Requests

June 13, 2025

A request for a Legends Drive grant was on the agenda at a County Transportation Committee (CTC) meeting this week. Thank you to Tom Tiscione and Councilman Mike Masciarelli, who made excellent presentations on our behalf. Unfortunately, the CTC was unwilling to give a grant of any amount or to entertain later consideration of a grant.

Our discussions with county staff regarding other grant options have not been successful either. They told us that grants are usually given after the county takes ownership of a road and before construction begins. Moreover, the process for grant approval often takes years. If we had delayed construction while seeking a grant, the road would have continued to degrade and there still would not have been certainty of a grant.

We will continue to look for ways to lower the costs for residents. As a reminder, the mill rate this year will be 11.5, down from 13 mills last year.

Donna Crouch, Secretary
Legends Drive STD Commission
