Each traffic lane is two feet wider than today

Bright, well defined striping and directional arrows

Police surveillance

Storm-related emergency services

Safety! Safety! Safety! Children on school busses, emergency vehicles!

Lower cost potential with grants, public funding and more commercial investment

AND, no more STD meetings, food fights and endless bickering

If you're a qualified registered voter, please sign the special tax district 15% petition

THEN, cast your YES vote later to have the County own Legends Drive and place it in their county road maintenance program.
